ABOUT US

MSNM Besant Institute of PG Management Studies is a premier management institute of Mangalore. It was established in 1999 and was the first institute to offer MBA programme under affiliation to Mangalore University. We are also approved by AICTE, Government of India and accredited by NAAC.

MSNM Besant Institute of PG Management Studies is housed at Besant Vidya Kendra, its integrated campus comprising academic facilities, hostels and mess, sports and extracurricular facilities.

Our institute offers a two year full time MBA programme leading to the award of post graduate degree by Mangalore University. Excellent infrastructure, experienced faculty, adequate industry exposure and impressive track record of academic achievements and placements make us an educational destination of choice for the students from all over the country.

VISION

To be center of excellence in the sphere of post graduate education and research, and to prepare business leaders having concern for human values and ethics.

MISSION

To nurture high standards in academics, research and consultancy by upholding quality and continuous improvement so as to disseminate relevant contemporary knowledge and skills in the business management among students, researchers and corporate participants

To develop and shape future business leaders with a global outlook, high ethical standards, and utmost care for the human values.

To nurture creativity among students and foster a positive attitude.

From the Director Desk

With the aggressive push towards rebuilding India by taking formidable steps in manufacturing and service sector, it is expected that many new and challenging opportunities would open up for the educated youth. With every field in economy, business and technology getting highly specialized, the job dynamics for the aspiring students also are becoming more complex. To meet the ever-changing corporate expectations, we at MSNM Besant Institute have been striving to impart the contemporary employability skills to our students in addition to the relevant knowledge and core values. The continued participation of corporate recruiters in the past and the successful track record of our alumni have been our strengths all through.

Our students of the 2017-18 batch have demonstrated high level of involvement in academics, project work and extracurricular activities and have achieved laurels. I am sure; they will prove themselves as the most useful resources to their prospective employers.

While wishing the students every success in their placement endeavors, I invite the prospective recruiters to participate in the campus recruitment process.

With Best Wishes,
Dr. Narayan Kayarkatte
Director
MSNM Besant Institute of PG Studies
